

The Child Care Chat

Eastern Shore Child Care
Resource Center
at Salisbury University

Published by the Eastern Shore Child Care Resource Center

SPRING 2022

The ESCCRC elevates the early childhood profession through cohesive professional learning opportunities, advocates for the highest quality learning environments for young children, and supports the unique needs of all families.

LETTER FROM THE DIRECTOR

There has been much progress in our newly created Eastern Shore Child Care Resource Center already! We are welcoming new faces to our workshops at every session, networking with programs across the region, identifying collaborative partners in each county, making connections online and in person, AND opening our office in the northern part of the region. You can now find us in room 104D at the Eastern Shore Higher Education Center (ESHEC) at Chesapeake Campus. The contact number for that office is 410-822-5400, ext. 2560.

The best way to stay on top of training opportunities is to visit our website and check out the *Training* tab. The second-best way is to be sure we have your email address so you can receive eBlasts twice a month covering trainings and other events. This is how we keep you updated on all the news related to the ESCCRC by email. Social media is another outlet we use to share the most current information with our early childhood community. Be sure to check out (and “like”) our two Facebook pages: *Eastern Shore Infant and Toddler Group* and *Eastern Shore Child Care Resource Center*.

As the COVID-19 threat seems to become less, many programs and organizations are planning onsite trainings. The ESCCRC can help you making those arrangements from choosing a topic to finding the venue and identifying a trainer. If your program would like to arrange an on-site training, please get in touch with me at lasinclair@salisbury.edu.

The ESCCRC is easing into in-person workshops. The first will be at the ESHEC building in April. If you are ready to get together in large groups again, look into this Infant and Toddler training called *I Can Pretend Too! Dramatic Play Experiences for Toddlers & Twos*. Several others are planned at the Salisbury location. Check the calendar to see which workshop will lure you back to face-to-face classes. As others return to in-person format, we will be sure to let you know.

If you are not aware of the scholarship for acquiring a CDA, please get in touch with us. This nationally recognized credential is a best first step in professionalism for some child care providers. The state of Maryland has funding for materials and the application process. Our office will support your training and work with you as you compile your resource file. We can also connect you with the CDA Council and help you find a PD specialist.

The 2022 Early Childhood Fair: *Going Places!* Celebrate’s NAEYC’s Week of the Young Child on Saturday, April 9 at The Centre at Salisbury, 10 a.m.-1 p.m. This is a PAU opportunity. Sign in with the ESCCRC staff, get your passport and visit all the tables to learn about resources to share with families and professional opportunities for you and your staff.

In the last Chat we were advertising for new staff in both offices. We are completing the interview process and hope to be fully staffed by the next quarter. We look forward to making connections with programs and working closely with you to create high-quality environments for all young children.

Thank you for all you do for families and their children.

Leslie Sinclair

TRAINING CALENDAR

Please pay attention to the location information given with workshop details. We maintain social distancing and **MASKS ARE REQUIRED.**

APRIL TRAINING

*Virtual & In-person in both locations. For CPR & First Aid and Medication Administration:
ESCCRC, Southern Area: Stepping Stones Learning Academy, 102 South Camden Ave., Fruitland
ESHEC, Northern Area: Eastern Shore Higher Education Center @ Chesapeake College*

Date, Time & Location	Cost	Training Title & Description	COK	Trainer
Saturday, April 2 9 a.m.-4 p.m. In Person @ Stepping Stones	\$52	Medication Administration Learn how to correctly administer medication to children in your care. This class is required and meets the MSDE criteria. Next class: June 2022	6 H	Denise Conklin
Thursday, April 7 6:30-8:30 p.m. In Person @ ESHEC	\$26	I Can Pretend Too! Dramatic Play Experiences for Toddlers & Twos Toddlers and twos engage in dramatic play differently than preschoolers. For toddlers and twos, it is all about the objects/materials being offered and how the child imitates how to use the object or material. This workshop looks at how toddlers and twos engage in dramatic play based on their development as well as strategies for supporting dramatic play in the toddler and two-year-old classroom.	2 CUR	Cheryl Willis
Thursday, April 7 6-9 p.m. Virtual-Zoom	\$30	Teaching Problem Solving Throughout the Day During this interactive training, participants learn through group activities and video vignettes the importance of being intentional when teaching children how to problem solve. Participants also study the effects of understanding how to problem solve on social and emotional development and the overall effects on academic success. This training also builds participants knowledge base on the process of the problem solving steps and how to teach these steps to children.	3 CD	Katie Klein
Saturday, April 9 10 a.m.-2 p.m.	No fee	Week of the Young Child: Going Places Early Childhood Fair at the Centre at Salisbury	PAU	
Saturday, April 16 9 a.m.-Noon Virtual-Zoom	\$30	Math Is Fun This course is designed to guide child care providers and teachers in implementing math curricular activities. Topics include helping children learn about math concepts as they explore and discover, looking beyond learning counting and numbers, and developing and extending children's interest in mathematical concepts – inclusive for all early math learners.	3 CUR	Judy Davis
Saturday, April 16 10 a.m.-Noon Virtual-Zoom	\$26	Summer Science Activities for Preschool Children Summer is an ideal time to explore many science concepts. Flowers are in bloom, bees are gathering nectar, and animals have awoken from their sleep. This workshop explores the importance of science in the preschool classroom and looks at science activities that are related to summer.	2 CUR	Jen Krenitsky
Tuesday, April 19 6-9 p.m. Virtual-Zoom	\$30	Including All Children & the Americans with Disabilities Act (ADA) How does the Americans with Disabilities Act affect child care providers? How do you make sure that a child with special needs is included in every activity in your child care? It can be difficult to answer these questions as you work hard to make sure all the needs of children are met in your program. Get practical information on how the ADA affects you and how to include all children in your daily activities. This class meets the MSDE requirement. Next class: June 2022.	3 SN	Leslie Sinclair
Tuesday, April 19 6-9 p.m. In Person @ ESCCRC	\$30	Surviving Summer with School-Agers This course is designed for child care providers who work with school-agers, aged 5-8 years. Topics and activities will focus on social emotional development and self-esteem, peer relationships, gross and fine motor development, cognitive development, and language development.	3 CUR	Ellen Sprouls

MAY TRAINING

*Virtual & In-person in both locations. For CPR & First Aid and Medication Administration:
ESCCRC, Southern Area: Stepping Stones Learning Academy, 102 South Camden Ave., Fruitland
ESHEC, Northern Area: Eastern Shore Higher Education Center @ Chesapeake College*

Date, Time & Location	Cost	Training Title & Description	COK	Trainer
Thursday, May 12 6:30-8:30 p.m. Virtual-Zoom	\$26	Teaching Parents About School Readiness This training teaches techniques to actively create meaningful family engagement in the school readiness process. The information allows early care professionals to help families be more familiar with all areas of school readiness, including self-help skills, gross motor skills, language and speech skills, thinking skills, as well as social/emotional skills.	2 COM	Karen Price
Thursday, May 12 6:30-9:30 p.m. Virtual-Zoom	\$30	Basic Health & Safety Training with Supporting Breastfeeding in Child Care This workshop satisfies the MSDE regulation requiring all child care providers, including all center staff and family providers, to complete this workshop. This three-hour workshop was developed in partnership with the National Center for Early Childhood Health and Wellness, Child Care Aware of America, the American Academy of Pediatrics and Maryland Family Network, with support from the Maryland State Child Care Association. Next class: July 2022.	3 H	Leslie Sinclair
Saturday, May 21 10 a.m.-Noon Virtual-Zoom	\$26	Supporting Children of Gay & Lesbian Parents Today's families are diverse. They come in all sizes and in many configurations. As early childhood educators, this diversity challenges us to be more accepting, more responsive and more respectful in our relationships with young children and with their families.	2 COM	Karen Price
Saturday, May 21 9 a.m.-Noon In person @ ESHEC	\$85	CPR & First Aid @ ESHEC (Room 201) This is a certification course by the American Health and Safety Institute. Certification is valid for two years.	NA	Jay Hyde
Saturday, May 21 3-6 p.m. In Person @ Stepping Stones	\$85	CPR & First Aid @ Stepping Stones This is a certification course by the American Health and Safety Institute. Certification is valid for two years.	NA	Jay Hyde
Saturday, May 21 9 a.m.-Noon Full	No Fee	Block Party No. 3: Building Outdoor Play & Community WICOMICO PROVIDERS ONLY Learn about activities to enhance outdoor play and gain an understanding of community resources.	3 COM	WCOBE
Tuesday, May 24 6:30-8:30 p.m. Virtual-Zoom	\$26	Take A Look in A Book: Infant & Toddler Emergent Literacy In this training, you learn how language-rich interactions and environments helps children develop communication skills, patience, empathy and literacy – all of which are critical to success in school and beyond.	2 CUR	Cheryl Willis
Tuesday, May 24 6-9 p.m. In Person @ ESCCRC	\$30	Exploring Scientific Thinking & Inquiry with Children's Literature Literature is an ideal vehicle to help young children learn about the world and all that lives in it. This workshop explores the many ways of creating a classroom environment that stimulates scientific thinking and inquiry through preparing fun science activities based on children's literature.	3 CUR	Ellen Sprouls

JUNE TRAINING

*Virtual & In-person in both locations. For CPR & First Aid and Medication Administration:
ESCCRC, Southern Area: Stepping Stones Learning Academy, 102 South Camden Ave., Fruitland
ESHEC, Northern Area: Eastern Shore Higher Education Center @ Chesapeake College*

Date, Time & Location	Cost	Training Title & Description	COK	Trainer
Thursday, June 2 6-9 p.m. Virtual-Zoom	\$30	Supporting Maryland's Multi-Lingual Learners: WIDA Early Years Essential Actions Orientation In order to promote equity for multi-lingual children, it is vital that educators take steps to ensure their instruction is developmentally, culturally and linguistically appropriate. Participants learn to consider the assets multi-lingual children bring to the classroom and how to provide equitable opportunities to learn and develop.	1 PRO 2 CD	Donna Satter-lee
Saturday, June 4 9 a.m.-4 p.m. In Person @ ESHEC	\$52	Medication Administration Learn how to correctly administer medication to children in your care. This class is required and meets the MSDE criteria. Next class: August 2022.	6 HSN	Melanie Long, RN
Thursday, June 9 6-9 p.m. Virtual-Zoom	\$30	Multiple Intelligences: Discovering Gifts & Empowering Children This training introduces participants to the theory of multiple intelligences and innovative teaching ideas that will assist in making their classroom an enhanced learning environment for children of all abilities. Participants learn to identify the unique learning strengths of children and how to apply practical strategies to promote inclusive and empowering learning opportunities for all.	1 CUR 2 SN	Katie Klein
Thursday, June 9 6:30-8:30 p.m. Virtual-Zoom	\$26	Child Development & Developmental Delays Participants are presented with information on how to distinguish the difference between typical and atypical child development. They leave with information on how to implement accommodations and modifications to better work with children with developmental delays and resources to utilize when development is atypical. Additionally, participants learn strategies for working with children exhibiting typical development in order to further strengthen their development.	1 CD 1 SN	Patti Adkins
Saturday, June 18 9 a.m.-Noon In Person @ ESCCRC	\$30	Including All Children & the Americans with Disabilities Act (ADA) How does the Americans with Disabilities Act affect child care providers? How do you make sure that a child with special needs is included in every activity in your child care? It can be difficult to answer these questions as you work hard to make sure all the needs of children are met in your program. Get practical information on how the ADA affects you and how to include all children in your daily activities. This class meets the MSDE requirement. Next class: August 2022.	3 SN	Leslie Sinclair
Saturday, June 18 10 a.m.-Noon Virtual-Zoom	\$26	Sensory Play for Infants & Toddlers Sensory play enables infants and toddlers to scaffold learning, building on prior experiences. Providers learn how to use non-traditional, every day sensory items to create discovery baskets to scaffold memory and enhance brain development in infants and toddlers.	2 CUR	Cheryl Willis
Tuesday, June 21 6-9 p.m. Virtual-Zoom	\$30	Marvelous Math This interactive training builds participants' knowledge around how a young child's brain develops between the ages of birth through five. Participants actively engage in "building a brain," exploring the importance of developing their own capacity and learning specific strategies and interactions that grow healthy brains. After engaging with the content of this training, participants have a better understanding of the core components used to support the growth of all learners.	3 CUR	Trina Tilgh-man-Dix

Date, Time & Location	Cost	Training Title & Description	COK	Trainer
Tuesday, June 21 6:30-8:30 p.m. Virtual-Zoom	\$26	Caring for Little Ones: Using Sign Language to Communicate This training is designed to introduce infant and toddler teachers to using sign language with children to support communication. Through this highly interactive training, learn 8-10 signs for "needs meeting" words such as: more, all done, mommy, daddy, stop, etc. Students also walk away with created hand sign placards and pair them with the spoken words that match the signs.	2 CD	Jenny Upper-co
Saturday, June 25 9 a.m.-4 p.m. In Person @ Stepping Stones	\$52	Medication Administration Learn how to correctly administer medication to children in your care. This class is required and meets the MSDE criteria. Next class: August 2022.	6 HSN	Denise Conklin, RN

UP-TO-DATE INFO FROM THE ESCCRC

Check your email inbox for the most up-to-date news from the ESCCRC. Are you on our email list? Frequently we send an update on training or scheduled activities. You will also find links to other sites and opportunities for you to take advantage of up-to-the-minute news important to you. Sometimes there are last-minute changes to office hours or open-late hours announced, PAU opportunities and events coming to the region. If you are not receiving these emails, we probably don't have your correct email address. Get in touch so we can fix that. Call us at 410-543-6650. And, don't forget to check your email!

HOW TO GET YOUR TRAINING HOURS

ESCCRC: Virtual classroom, networking with others through active discussion
Self-Paced: Convenient
Individualized: Training tailored to a group's specific need
Online: Self-paced at your time and your location using ProSolutions at www.prosolutionstraining.com/md (English portal) and www.prosolutionstraining.com/md-espanol (Spanish portal)
Think about it, choose what best suits you, and contact Leslie Sinclair at lasinclair@salisbury.edu or at 410-543-6650.

UPDATE YOUR LOCATE INFORMATION AND ENTER TO WIN!

Relying on word of mouth to promote your child care business is no longer enough. This comes from a new *Forbes Magazine* report that gathered data on over 150,000 child care providers across the United States. As parents become busier and more tech savvy with each passing year, they are looking online to find child care and relying less on talking to their friends for information.

The good news is that when you regularly update your Maryland Family Network LOCATE: Child Care record with complete and current information, parents are better able to find and choose your program. Update your information every month at marylandfamilynetwork.org and tell us when your program has vacancies or changes to hours, fees, etc. Your information will be reviewed and made live in just two business days. Every time you update your record you will be entered into a monthly sweepstakes to win a \$25 Amazon gift card.

The **LOCATE: Child Care** annual update questionnaire is also available – follow the links on this page for either the Family Program Questionnaire or the Group Program Questionnaire: www.marylandfamilynetwork.org/for-providers/update-your-record

Maryland Child Care Resource Network Complaint Policy

Every member agency of the Maryland Child Care Resource Network strives to provide high-quality service to the child care programs and families in their jurisdiction and throughout Maryland. It is their mission to ensure that every interaction with staff at the child care resource centers is positive and professional.

If you have concerns about an incident or some aspect of service at a child care resource center, please contact the director/manager directly. Contact information for these individuals can be found at: <https://marylandfamilynetwork.org/for-providers/find-your-child-care-resource-center>.

If you are not satisfied with the way your concern is handled by the director/manager at the child care resource center, please contact Maryland Family Network (MFN) at 410-659-7701 or at MCCRNinfo@marylandfamilynetwork.org. As the statewide coordinating entity of the Maryland Child Care Resource Network, MFN will investigate the complaint or concern regarding services and take appropriate action.

EASTERN SHORE HIGHER EDUCATION CENTER (ESHEC) OPEN OFFICE HOURS

We are working to staff the northern office as quickly as we can. Searching for and hiring qualified early childhood professionals are our main priorities at this time. You are welcome to contact the Salisbury University office with any questions. Register for virtual classes and those that are scheduled at ESHEC throughout this quarter by calling 410-543-6650.

QUESTIONS ABOUT THE CORONAVIRUS?

The Centers for Disease Control (CDC) is an excellent source for Coronavirus/COVID-19 information and updates. Check out this website and stay informed: <https://www.cdc.gov/coronavirus/2019-ncov/community/schools-childcare/index.html>

To learn more about COVID-19 and Child Care in Maryland, visit the MSDE Coronavirus website: marylandpublicschools.org

HOW TO RECEIVE YOUR CERTIFICATE

- **Check out the Training Policy on page 5.**
- **In short, to receive credit for attendance, you must:**
 - Attend the entire training session
 - Submit the assessment
 - Complete the evaluation and turn it in
 - This allows the ESCCRC to receive funding as your CCRC and training hub.
- **ESCCRC will record responses and generate your certificate.**

What Professionals Do

- Take trainings in their specialty area whenever possible
- Network with their colleagues
- Join a professional organization
- Keep records of their professional development
- Take care of themselves!

OPEN OFFICE HOURS ON ZOOM

Cheryl Willis is available by Zoom 1:30-2:30 p.m. every Tuesday and Thursday. Of course, you can call or email her at any time. Zoom link: <https://salisbury.zoom.us/j/92862645809>

WHAT YOU NEED TO KNOW ABOUT TUMMY TIME

From the Infant & Toddler Scene

It is recommended to give babies a chance to play on their tummies, AKA tummy time, every day. Why is it so important, and how do you do it? Here's what you need to know:

- Start early. You don't need much to begin, just a clean, firm surface (like a blanket on the floor). But it's important to always supervise carefully.
- Tummy time is a workout for babies. It builds babies' arm, shoulder, stomach and back strength. It also prepares babies for rolling and crawling.
- Remember: 30 for tummy time. Shoot for about 30 minutes of tummy time a day. But not all at once. Practice this for short periods throughout the day.
- There are other options for tummy time. Place the baby tummy-down across your thighs while you sit and sing or talk to him or her. Place a bolster or rolled towel under baby's chest, under their arms and shoulders.
- Roll with it. Once baby can roll over, he or she will be able to move between tummy time and other positions under his or her own steam.
- Enjoy tummy time with your babies!

Baby Steps Newsletter. (n.d.). *What You Need to Know About Tummy Time*. Zero to Three. Retrieved March 14, 2022.

TRAINING POLICY AND EXPECTATIONS FOR IN-PERSON WORKSHOPS

C-Curriculum CD-Child Development COM-Community H-Health, Safety and Nutrition P-Professionalism SN-Special Needs

Thank you for abiding by the following training policy. By doing this, you are helping us maintain our high standards and provide the highest quality training:

- You must pre-register for all classes. Registration forms can be found on LSCCRC's website, in our newsletter or at our office. Training registrations are on a first-come, first-served basis; register early. You are not considered to be registered for a class until payment has been received.
- Payment for a class should be made payable to Salisbury University. We gladly accept cash, check, Visa or MasterCard. There is a \$25 returned check fee. You can now register online with your Visa or MasterCard at www.training.easternshoreccrc.org
- Class registration fees are non-refundable. However, if you are unable to attend a training session, you must notify our office by close of business the day before the training in order to receive credit toward another class.
- In order to ensure that all classes are conducted as scheduled, please register early. If the minimum registration requirement is not met prior to the class, it will be canceled. We will notify all registered students of this cancellation.
- In order to get a certificate for training, an attendee will need to be present for the entire training. Complete an assessment and evaluation and turn it in
 - This allows the ESCCRC to receive funding as your CCRC and training hub.
- Please be on time for all trainings, as no one will be admitted late. Leaving a training early or arriving late can distract others from learning. Also, taking only a portion of a training does not allow for a participant to get a full grasp of the subject and takes away training opportunities from other providers who need the full amount of training hours.
- Although we love children at ESCCRC, please do not bring them to class with you.
- Certificates will be awarded to all participants successfully completing a class. Please keep these certificates for licensing and credentialing purposes. **This is your professional responsibility!**
- Please check with local television stations for any possible cancellations due to bad weather. If a training is canceled, it will be rescheduled for a later date. The Resource Center is closed if Salisbury University is closed.
- Please be respectful of the trainer and other class members. Save private conversations for break time or after class. Cell phones, including texting, can be disruptive to others. Please turn your cell phone off at the beginning of class or put it on silent. Disruptive participants will be asked to leave the class and will not be given credit for the class or a refund.

All Training Voucher and Reimbursement applications must be submitted using the online application form: <https://earlychildhood.marylandpublicschools.org/node/510> and the online voucher form: <https://earlychildhood.marylandpublicschools.org/node/511>

RESOURCE ROOM OPEN

The Resource Room is available for your use at both locations. Call to make an appointment between the hours of 9 a.m.-5 p.m. weekdays. You can find us at SU's East Campus and at the ESHEC building on Chesapeake College's campus.

Drop-off services also are available; let us know what you need and come back to pick up your finished materials. What could be easier? Get in touch if you have questions: 410-543-6650.

LOCATE COMPLAINT POLICY

Through the Maryland Family Network's LOCATE: Child Care service, parents can share feedback about the programs in the database, including licensed child care centers, registered family child care providers, and accredited preschools and camps. This feedback can sometimes involve complaints about caregivers. MFN and the Maryland Child Care Resource Network use this information in a way that is fair to providers and parents – while protecting children.

The LOCATE: Child Care Complaint Policy was developed by the board of directors of one of MFN's legacy organizations, the Maryland Committee for Children, and was approved by that body in November 1983. According to this policy, all complaints made to LOCATE: Child Care about child care providers and facilities are recorded.

TYPES OF COMPLAINTS

- **Less Serious Complaints with No Violation** do not involve violations of child care regulations; do not involve situations that pose a threat to the safety, health or welfare of a child.
- **Less Serious Complaints Involving Violation** include any violation of Office of Child Care (OCC), Maryland State Department of Education (MSDE) regulations and/or the Health Department; situations do not pose a threat to the health, safety or welfare of a child.
- **Serious Complaints** include any threat to the immediate health, safety or welfare of a child.

When a parent or guardian calls LOCATE: Child Care with a complaint, the referral specialist advises to register the complaint directly with the appropriate regulatory agency and/or Protective Services. The parent is given the names and telephone numbers for the people they should contact.

When a **Serious Complaint** is received concerning a provider in the LOCATE: Child Care system, referrals to that provider cease until the situation is resolved. The LOCATE: Child Care director communicates with the appropriate regulatory agency about the complaint and maintains the hold on referrals until the disposition of the complaint is known. Should the investigation result in no action, the hold status is removed from the provider's record. Should the license or registration be revoked, the facility is removed from the LOCATE: Child Care database. Providers are advised of LOCATE: Child Care's actions in writing.

A provider may appeal the LOCATE: Child Care decision to cease referrals. Appeals are first addressed to the LOCATE: Child Care Advisory Committee. Final appeals may be made to the board of the Maryland Family Network.

It is the position of LOCATE: Child Care and MFN that the Complaint Policy is both fair and effective. Safeguards and due process are afforded to providers while parents' and children's rights are upheld. Any questions about this policy should be addressed to LOCATE: Child Care Director FloJean Speck at fspeck@Marylandfamilynetwork.org.
